## UX/UI Designer

Greetings, I'm Kiril, a junior UX/UI Designer passionate about creating unique and special design. I think good design is about usability and good look good. I have a knowledge about developing so it'd be easy to adapt design and understand developer's critics and needs. User feedback and analythic is always crucial. My designs focus on usability and accessibility, enhancing user satisfaction and engagement.

## PROJECT EXPERIENCE

### **UNDERGROUND WAVE**

Event and Cultural Space, full cycle design Underground Wave is a youth-oriented art and event space in Kyiv. The goal was to create a dynamic venue that hosts concerts, art exhibitions, and social gatherings, blending culture and nightlife. The project was designed and launched in 3 stages: the overall brand identity and space design, website development, and digital promotion strategy.
